

To: All Visiting Scientists

Subject: Health Insurance

Dear Visiting Scientist,

For your continued stay at the Volcani Center we require that every visitor will be covered by health insurance for the duration of his/her stay in Israel. We have arranged with Hilit Insurance Agency to provide their services at a special rate for our visitors.

Enclosed are details of medical insurance coverage and an application form and health declaration.

Please fill out both the health declaration and application forms and send them to the TOURIST DEPARTMENT: FAX NUMBER 03-6325582; OR EMAIL: TOURISM@HILIT-INS.COM.

You can make payments through credit card or bank transfer. The advantage of using a credit card is that the full cost can be divided into several payments. For further enquiries you can contact Ortal Naor:

Office 073-2632024; Mobile: 052-3498060; Email: ortal@hilit-ins.com

Note: Every visitor is obliged to be covered by a valid Israeli insurance policy

We wish you a fruitful and healthy stay in Israel!

Prof Ada Rafaeli, Associate Director for International Cooperation and Academic Affairs, ARO
