Professional work

November 2000 onwards - I work as an information specialist at the Central Library of the Agricultural Research Organization in Beit Dagan, Israel.

June 2008 - Professional working visit in Berlin for 2.5 weeks – Financed by the Agricultural Research Organization and the BI- International - the standing committee of Bibliothek & Information Deutschland (BID), the Federal Association of German Library and Information Associations, for the promotion of international professional exchange. The Goethe Institut in Tel Aviv was also involved by contacting the institutions in Germany.

The main aim was visiting libraries dealing with agriculture or related topics, learning about their organization and the workflow process.
