

The 4th Annual meeting of the Israeli Society for Extracellular Vesicles Research (ISREV)

May 22, 2025; The Felsenstein Medical Research Center,
(FMRC), Beilinson Campus

SAVE THE DATE!!!!

The ISREV annual meeting aims to bring together Investigators from different disciplines and areas of interest to present their newest findings concerning extracellular vesicles and their roles in physiological and pathological conditions.

The meeting serves as a great opportunity for scientists from diverse backgrounds to learn about cutting edge vesicle science.

Abstract submission deadline: April 1, 2025
Registration deadline: April 22, 2025

Abstract submission is encouraged!

Please send your abstracts to
Orit Uziel: oritu@clalit.org.il according
to the following:

Author Information

Provide full names, affiliations, and contact details of all authors.

Indicate the presenting author and corresponding author clearly.

Abstract Structure

The required format should include sections like: Background/Introduction, Methods, Results, Conclusion.

Word Limit

Up to 300 words.
