

תוכנית יום העיון : Oct 22, 2025 Program

התכנסות וכיבוד קל Reception and coffee		8:30
מושב ראשון: (יו"ר שבתאי כהן) First session; Chairman Shabtai Cohen		
Dr. Ehud Dayan, Dr. Kerry Petersen, Prof. Gaylon Campbell, Prof. John Norman	<ul style="list-style-type: none"> Welcome: Dr. Eddie Cytryn Greetings from a family member Greetings from students and colleagues of Marcel 	– 9:00 9:30
Prof. Marcel Fuchs Inst. Soil, Water and Env. Sciences	Challenging Axioms regarding Water Transport through Plants to the Atmosphere	– 9:30 10:00
Dr. Meir Teitel Inst. Ag. And Biosystems Engineering	Implementation of semi-transparent photo-voltaic plastic sheets in greenhouses	-10:00 10:20
Dr. Yelena Vitoshkin Inst. Ag. And Biosystems Engineering	Insights from Growth Experiments in a Two-Level Hydroponic Greenhouse with Supplemental LED Lighting	- 10:20 10:40
	הפסקת קפה Coffee Break – כולל עוגת יום הולדת	-10:40 11:10
מושב שני: (יו"ר אורי הוכברג) Second session; Chairman: Uri Hochberg		
Prof. Matthias Langensiepen, University of Bonn	On zoom: Sap flow and modelling transpiration	-11:10 11:30
Dr. Tamir Kamai Inst. Soil, Water and Env. Sciences	Estimating low and reverse sap flux density with the temperature ratio heat pulse (TRHP) method	11:30- 11:50
Prof. Pedro Berliner Blaustein Inst. For Desert Research	To be announced	11:50- 12:10
Prof. Nurit Agam Blaustein Inst. For Desert Research	It's desert time! Understand dynamics and feedback mechanisms between the main players affecting desert weather and climate.	12:10- 12:30
סנדוויצ'ים וכיבוד	הפסקת צהריים Lunch Break	-12:30 13:20
מושב שלישי: (יו"ר – יוסי טנאי) Third Session; Chairman: Josef Tanny		
Dr. Dilia Kool Ben Gurion Univ.	To be announced	-13:20 13:40
Dr. Shabtai Cohen Inst. Soil, Water and Env. Sciences	Modelling radiation and wind speed in dusty banana screenhouses to improve estimations of internal reference evapotranspiration	13:40- 14:00
Dr. Yakir Preisler Inst. Plant Sciences	Urban Tree Physiological State and its Impact on Human Thermal Comfort	14:00- 14:20
Dr. Udi Strobach Inst. Soil, Water and Env. Sciences	A weekly cycle of precipitation in the Eastern Mediterranean	14:20- 14:40
